

# ELANGOMAT FLAP APPLICATION

The elangomat flap is presented to those arrowmen who have distinguished themselves as elangomats by completing the following requirements:

- Participate in elangomat training two times
- 30% of Clan must obtain Brotherhood for both ordeals
- Go through ordeal with clan (i.e. sleep out under stars, eat scant food, etc.) two times

If you have already been an elangomat twice, you may earn the flap by serving as an elangomat once more, without the 30% conversion rate applying to you. If you have been an elangomat once, you may earn the flap by serving as an elangomat once more with the 30% conversion applying.

The above requirements can be altered by the Lodge Adviser or his designee due to medical or dietary restrictions.
